POT O' GOLD

P R O C E S S I O N

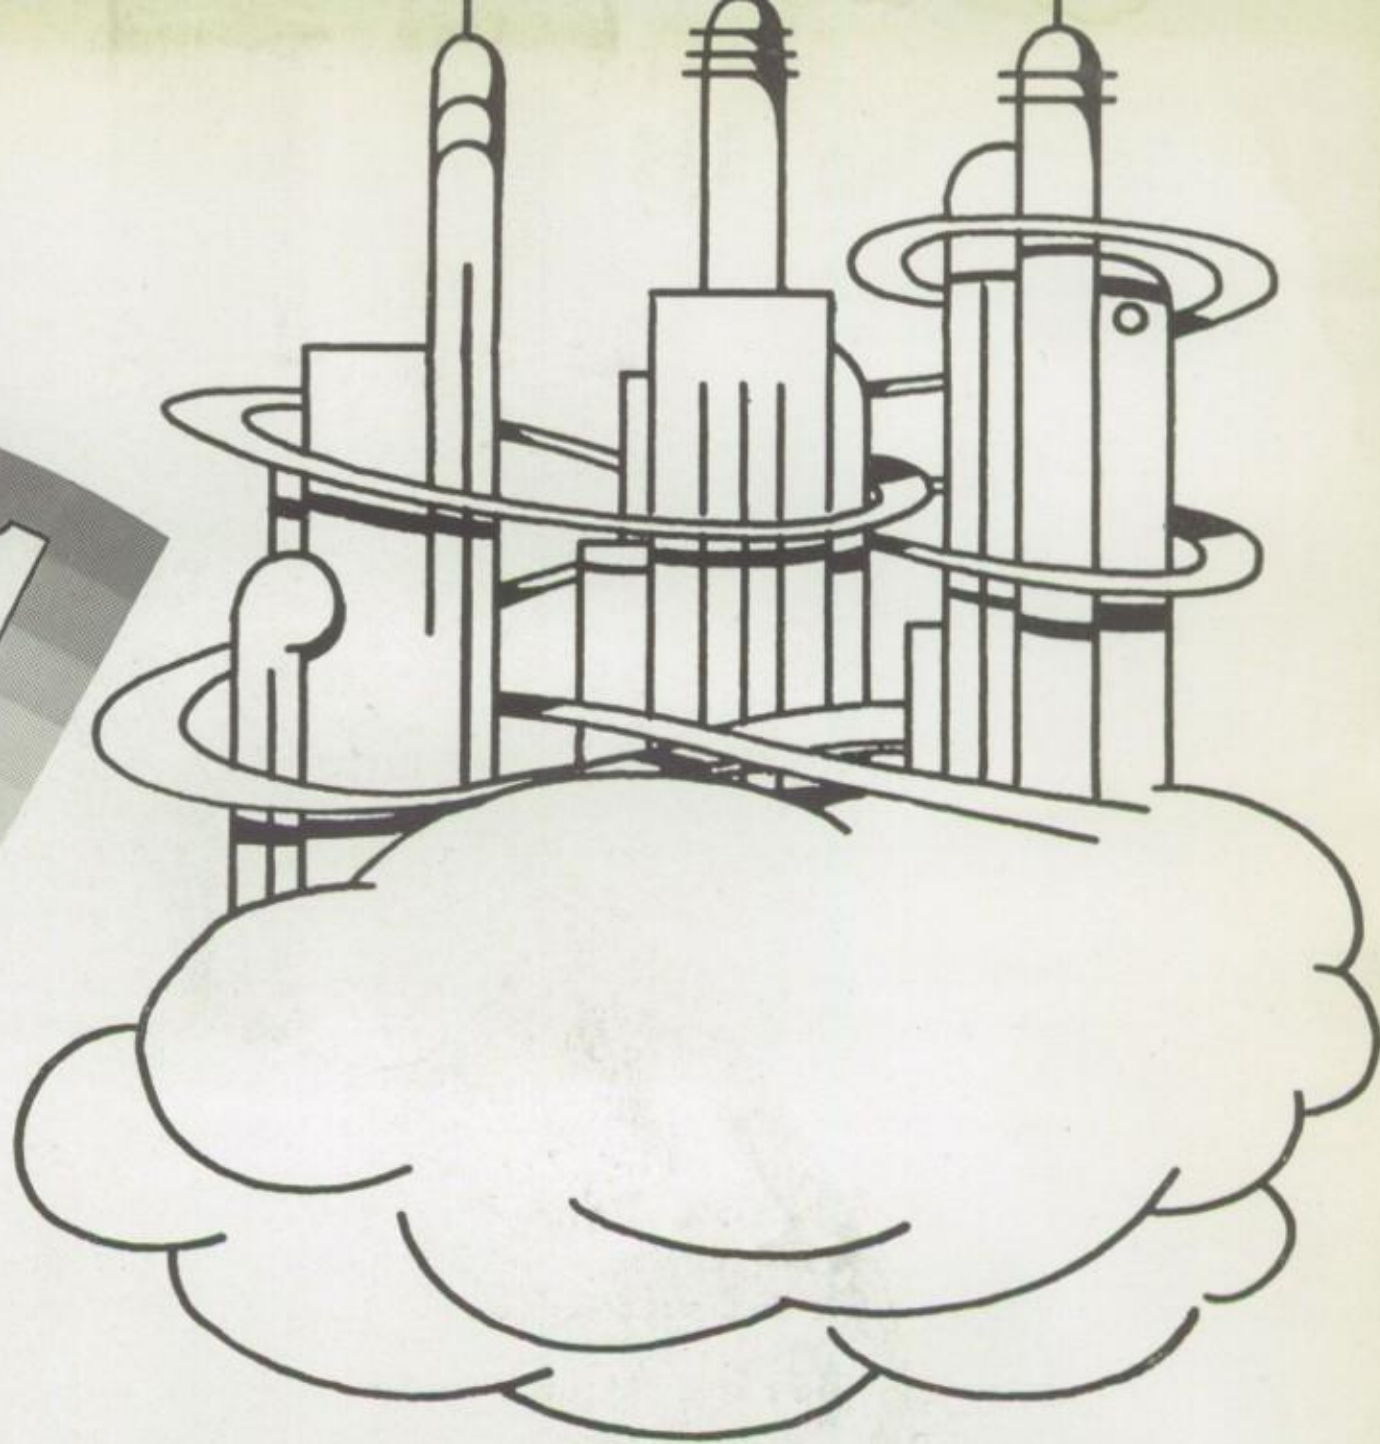

What dream is this I see?
Oh furtive hope of loveliness,
Why don't thou show thyself to me?
What song is this I hear?
Who can explain this melody,
These visions that appear?

I hear as from another world
The whistling of a prairie wind,
Across the sands of time it sings
And proudly chants the prayer it brings,
"Arise my land, arise!"

I see a lonely wagon start
Across the plains with heavy heart,
But lo, the man who drives the team
Throws back his head and sings his dream,
"Arise my land, arise!"

1941

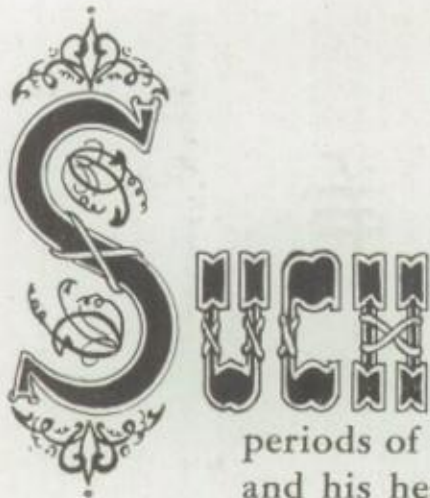

I A L -

Behold! I see a man whose eyes
Reflect the freedom of the skies.
His brow has known both blood and sweat,
His hands are calloused tools, and yet
He plants his golden grain with love,
And sings his prayer to God above,
"Arise my land, arise!"

I hear the scream of whirling wheels,
Their singing fills the air and seals
The darkened room with blaring din,
A lonely workman stands within
The room and guides the mighty thing
That rules his life, yet he can sing,
"Arise my land, arise!"

Oh sempiternal cavalcade,
Where is the land where dreams are made?
This new procession I see,
Will they know immortality?
These new crusaders, drunk with youth,
Will their hearts ascertain the truth?
Oh, Father, let them understand
The glory of their native land,
The heritage of blood and tears,
The faith that's lasted through the years.
And as they march with flag unfurled,
Let them sing out to all the world,
"Arise my land, arise!"

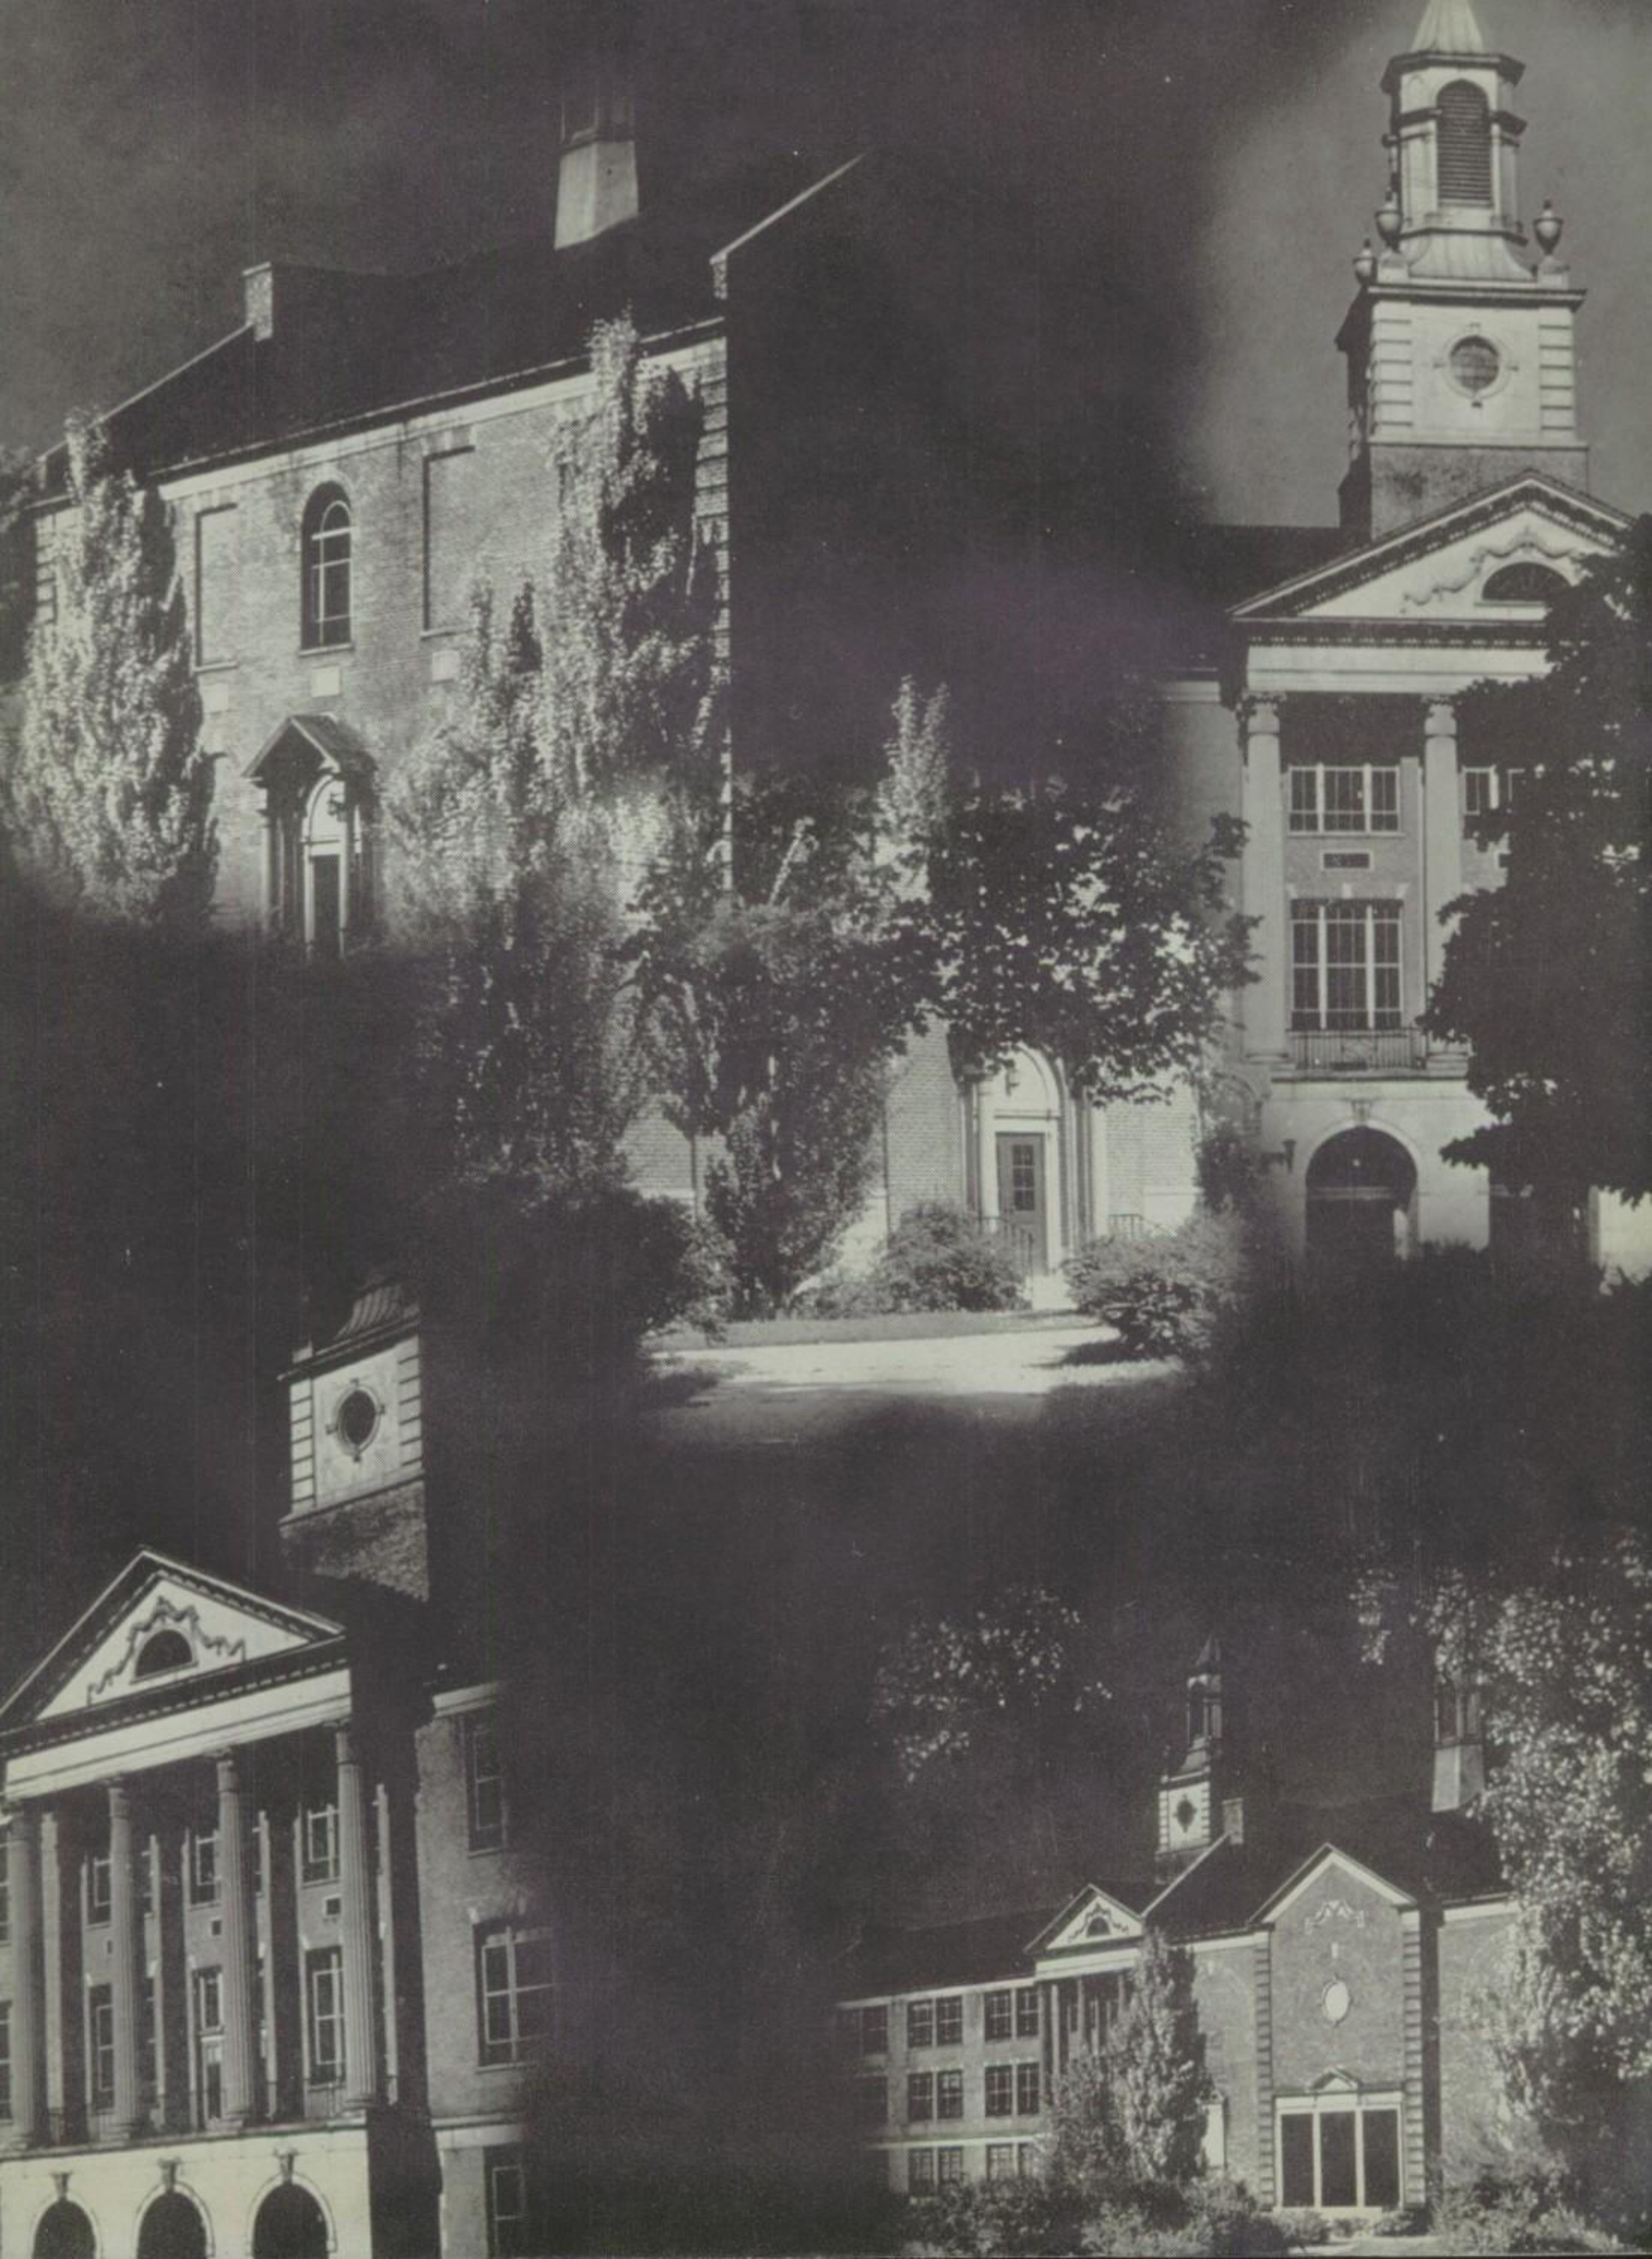

IS THE nature of mankind, that throughout long periods of darkness, when his eyes are blinded by blood and tears and his heart lies crushed beneath the weight of disillusionment, still will his soul seek the stars.

We are now living in such an era of blackness. Animosity has, for the moment, taken the light from the earth. Yet we in America are not afraid. America does not fear that shadow which threatens the world. She defies any theory of life which would kill the dream Americans have guarded with their hearts—the dream of freedom. No! It can never be taken from us! As long as man can pray to his God, democracy shall live! The powerful strength of militarism will crumble and be forgotten; the doctrine of liberty shall endure forever, and we who follow His teachings shall not travel alone.

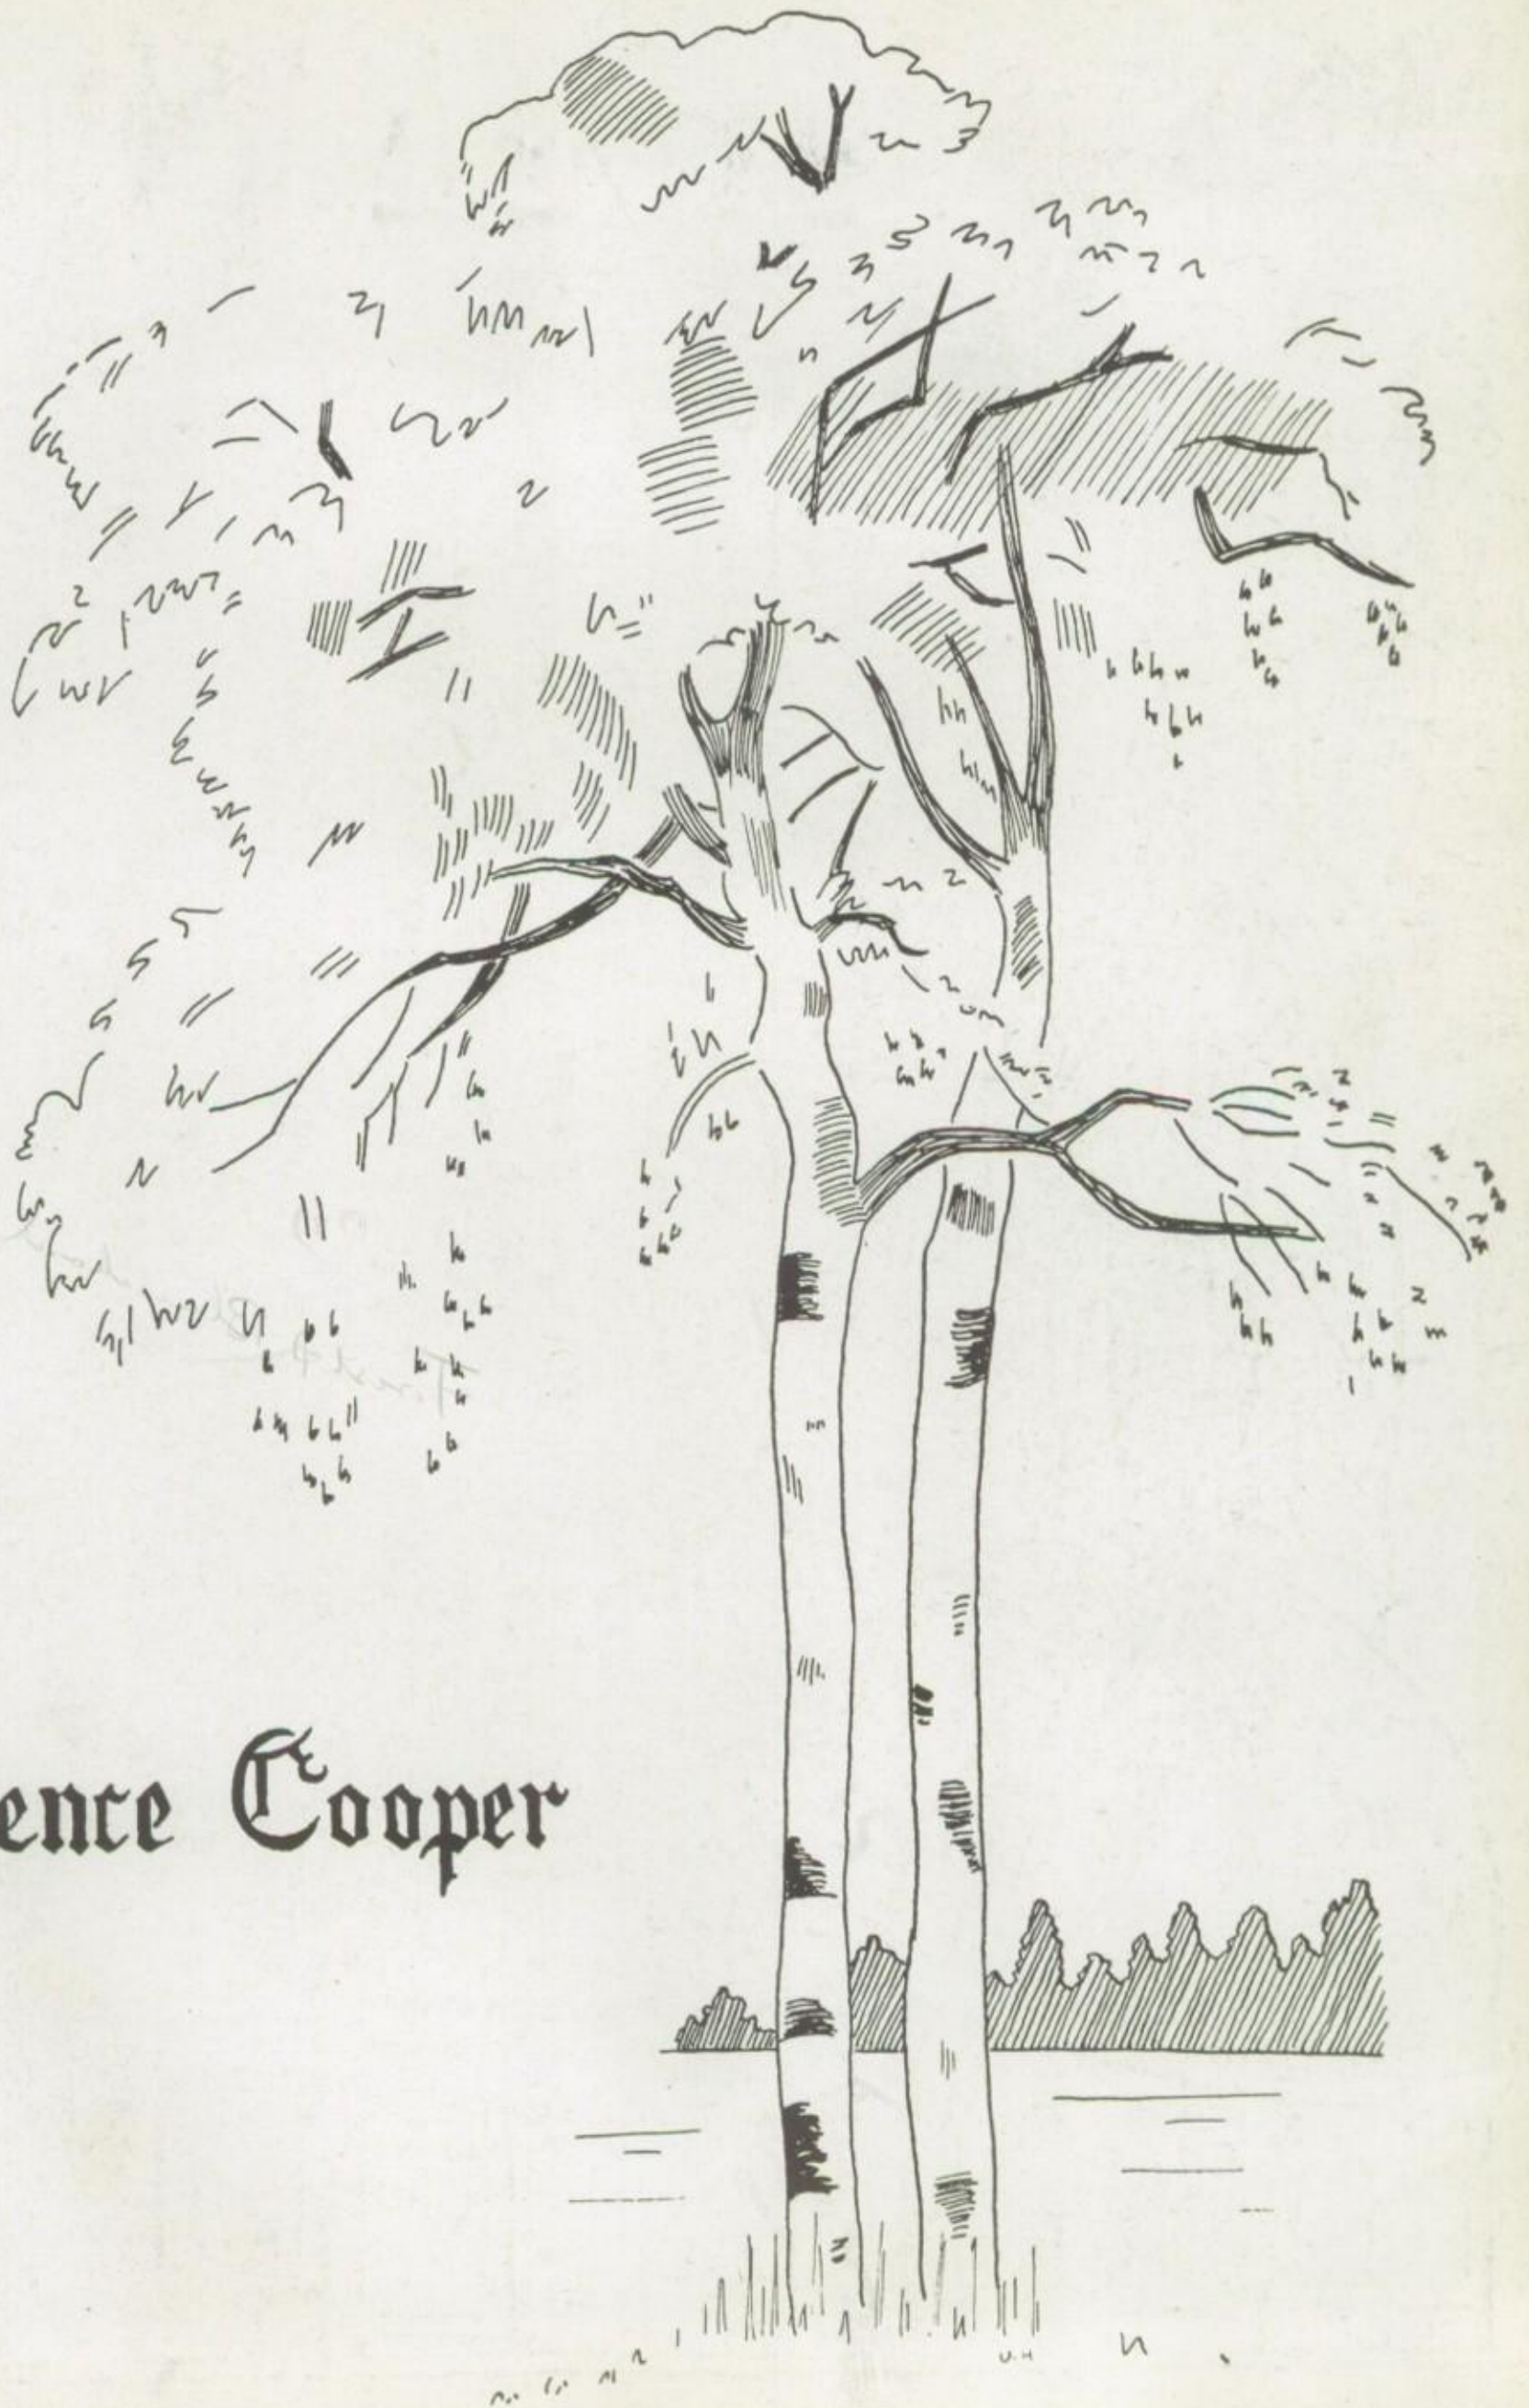

Americans are not afraid, for we have been taught to judge the happenings of today in the light of the events of yesterday. We know that the glories of conquest are outlived by the beauties of peace. We have acquired a sense of values, and know that tolerance and intelligent understanding make a nation great. Such greatness is achieved only through the development and the striving of great characters. In America, our schools are one of the institutions contributing to such development. Thus, they are essential to our national progress. Here it is that character is developed and the mind is trained. Here it is that our future citizens are molded—both those who will one day be inspiring leaders, and those who will be enlightened followers.

DeVilbiss High School is but one of the many schools in our country, yet how immeasurably important it is! It must work in concert with all the other American schools; together they must educate a nation and help a people to seek the truth. They must make each student recognize his importance to our country, and help him to become a responsible citizen.

DeVilbiss High School has given us, the students, a foundation upon which to build. It is for us to say how strong that edifice shall be. It is as though we have been told, "Go, apply what you have learned. You have inherited the faith of a people, and with it the hope of a nation." This then is our challenge to accept. We have been shown the pathway. We will seek its termination!

Democracy In Action

Just as a nation should be governed by an enlightened people through its chosen representatives, so should the student body of any school be aware of all school problems, and, through student representation, assist in solving and correcting them. With this idea in mind, DeVilbiss High School formed a student council. This organization is composed of a president, a board of commissioners, and representatives from the home rooms. It is advised and directed by Louis J. Mathias.

Our student council is not a function apart from school life, but is rather an organization which has developed most successfully from that life. It provides for cooperative activity by enabling pupils and teachers to work together in solving the school's problems. It directs activities and organizations in the school through the various commissions. It serves to promote the welfare of the school and its students, and to arouse an enthusiastic spirit.

The most important activity undertaken by the Council this year was the collection of sales tax stamps. The proceeds from this campaign were used to complete payments on our score-board, and to augment the growing fund intended for the purchase of new band uniforms. As has been its custom, the Council, under the direction of the Commissioner of Welfare, filled and delivered one hundred fifty Christmas baskets. Sponsored by the Council was its annual dance—the first evening social affair of the school year. The Commissioner of Organizations, with his committee, established a more efficient set of club rules, and put them into effect.

These are facts concerning the work of the Council. Yet its most important service has not been mentioned, for the development of individual initiative is, as the name implies, an intangible thing which cannot be confined to a generalized statement. This training of future citizens is an essential service to our school and to our country.

We at DeVilbiss feel that our student council is an organization which can honestly be termed "actively democratic." We point with pride to its contribution to our general welfare.

We graduates represent the tomorrow of America. We foresee great achievements and a colorful destiny for ourselves and for our country. With confidence we press toward exciting realms of increasingly complex thought and activity—activity which will give evidence of the sincerity of our purpose—the building of a more glorious future. We here pay tribute to you, DeVilbiss—the inspiration of our hopes through these, our past four years. Even as we go forth, we turn in farewell, with a feeling of appreciation and indebtedness, to the four periods of our growth.

We Juniors, the symbol of Industrial America, stand now on the threshold of the present. Ours is the desire to make today worth living; to make our era in history and in class development vital. For guidance, we turn to those periods of growth through which we have passed. The Sophomore Class represents Agricultural America—a time of development, utilization, and conservation of our resources—a time of stabilization. The Freshman Class is "Our Heritage." Here our frontiers were made and changed; here our hopes for the future were born; here was created the foundation of our nation. With such a background, we Juniors are ready to greet the future with eagerness.

"To promote citizenship"—thus in three words can we express the chief aim of the National Honor Society. This organization, founded twenty-one years ago, today boasts more than twenty-three hundred chapters in high schools all over the United States. The members of the De-Vilbiss group are proud to be able to state that their organization, during the ten years which have elapsed since its founding, has never failed to uphold and to advance the ideals of the National Honor Society.

The four cardinal objectives of the society are character, scholarship, leadership, and service. Because these aims may be summed up to mean "good citizenship," we can say that membership in the National Honor Society is awarded to those students who have been prominent in activities which tend to develop this quality. During the past year the Honor Society, guided by Richard Hewlett, president; Jim Plough, vice-president; Nancy Mills, secretary; and Milton Netter, treasurer, held two induction services. At the second of these, the Juniors who will make up the organization next year were inducted.

The work of the society is related quite naturally to the work of the school. Members have taken over the management of our college room in a most capable manner. They are ever ready to assist in the class rooms of those teachers who must leave the building for a period of time.

Mrs. Lela Greunke and Mr. David Voss have ably guided every activity undertaken by this year's group.

"*Breaks school life into colorful news*"—"Hurry with those *Tadbits!*" "Have you finished proof-reading *The Frights of Fredericka?*" "There's a name misspelled in *Tiger Tales*." "What about the last *Tad Poll?*"—No, this is not a cross-section of the London Zoo, but rather a last minute scramble to make sure that another issue of our own De-Vilbiss Prism is ready to uphold its standard of fine quality.

This year's Prism has in truth been a great success, thanks to the ceaseless efforts of Dolly Penske, Harry Guinther, and the entire staff.

Our newspaper made quite a name for itself at the National Publications Convention in Cleveland this fall. Under the supervision of Miss Rose Bloom, National Vice-President of the Quill and Scroll, the De-Vilbiss delegation played host to staffs from coast to coast at the Quill and Scroll Birthday Party.

The widespread popularity of the Prism is evidenced by its circulation of twelve hundred copies an issue. Although the staff members are truly "pressed for time," they know the satisfaction of having served their school.

P O T O ' G O L D

"At the end of the rainbow" — there you will find the 1941 DeVilbiss Pot C... This rainbow represents a span of events. A... shades of school life are here blended together... in this, your year book.

These pages reveal not professional craftsmanship, but rather, the diligent work of inexperienced students who wished to do their bit for their school. The guiding hands and willing hearts of Miss Iva Guire, Miss Ruth Smith, and Mr. D.Norman Stalker are greatly appreciated.

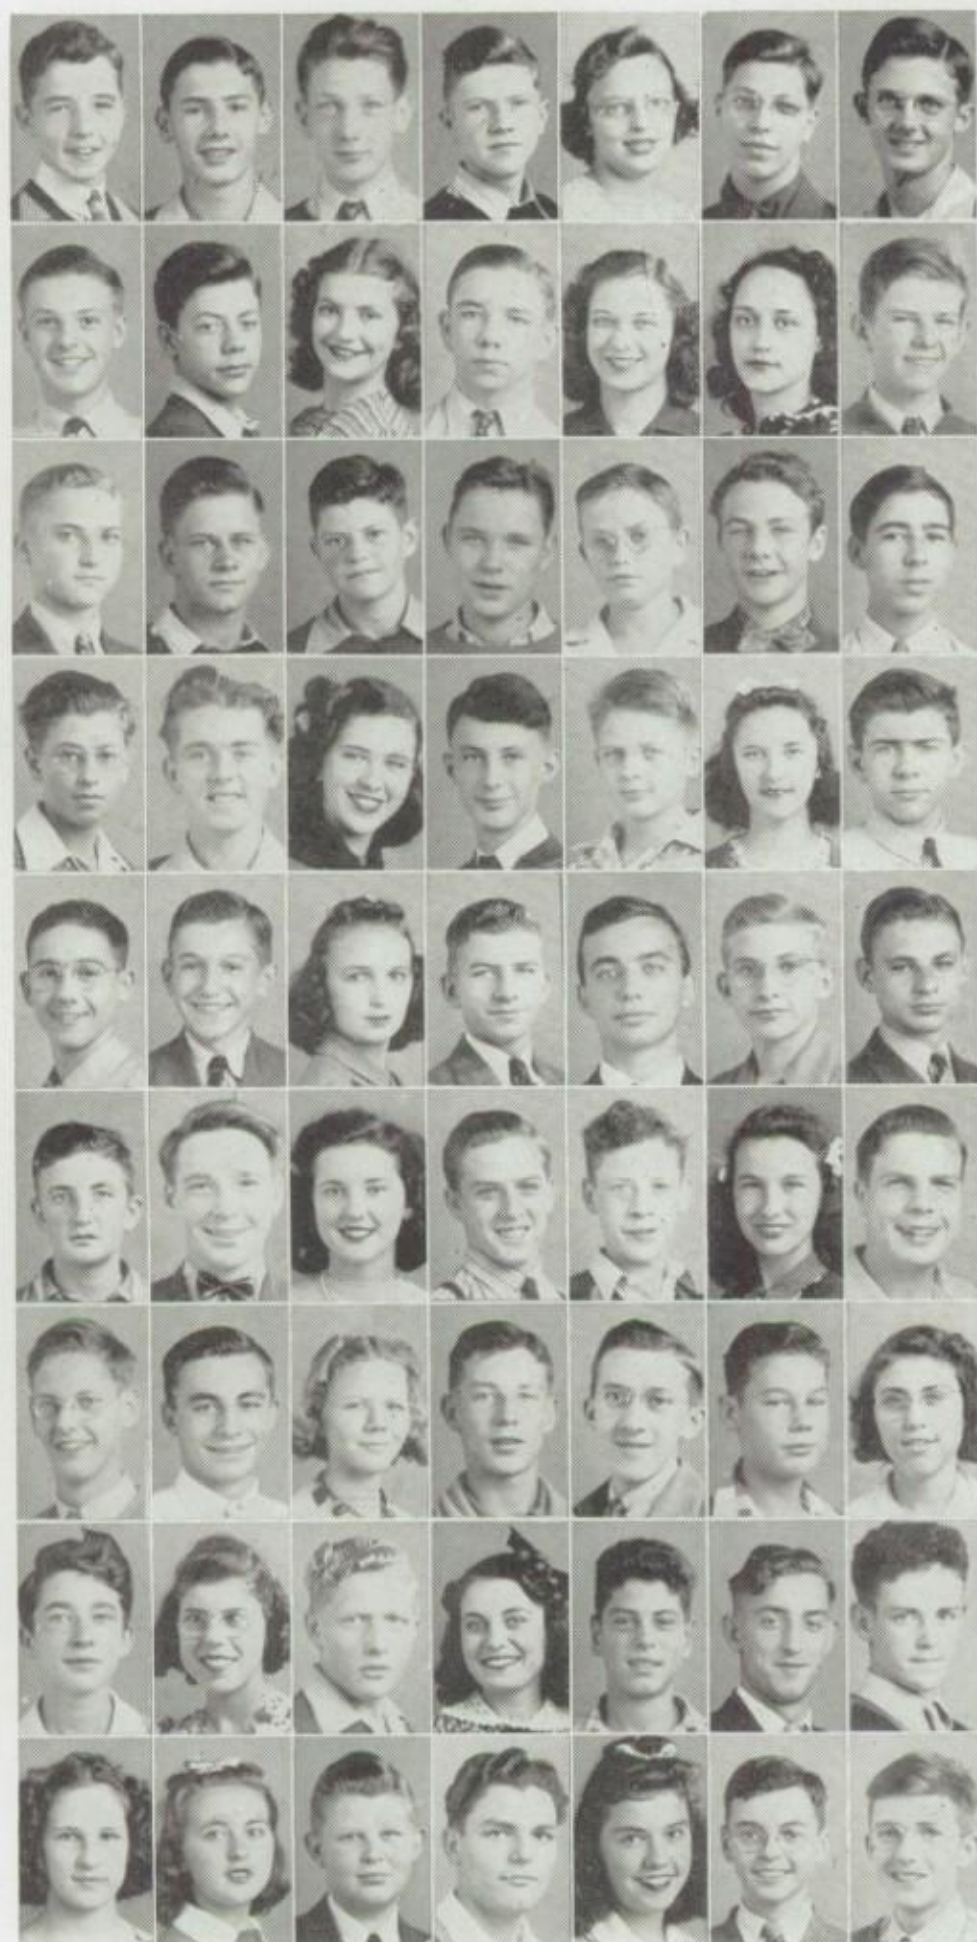

The staff took time out to attend the Publication Convention in Cleveland for new ideas, as well as to visit the Ford Sunday Evening Hour for relaxation. With a very enjoyable year behind us, we express one common desire—that you, DeVilbiss, will be satisfied with this record of occasions and friends. May it keep alive many memories of this year.

"There's magic in the throb of a band"

—Remember the excitement which tingled through your veins as you eagerly awaited the first glimpse of a twirling baton far down the field? Then a whistle shrilled; the "Orange and Black" appeared.

Guided by Mr. Guy V. Sutphen, this organization has cooperated splendidly with Head Drum Major, Allen Chapin; Student Leader, Bob Cannon; president, Paul Rapp; vice-president, Allen Chapin; and secretary-treasurer, Jean Copelin.

This year six pert drum majorettes appeared with the Band to help spur our team to victory. Another unprecedented step was taken when the group, backed by the Boosters' Club, accompanied the football team to Sandusky.

The Band proper was this year supplemented by a newly created swing band which added life and color to our basketball games. This spring, members assisted in a campaign sponsored by the Parent-Teachers Association for the purpose of securing new uniforms for our musicians.

"All the world needs music"—Echoing down the school corridor are muffled strains of classical tunes. Is this the Philadelphia Symphony? No, it's the DeVilbiss Orchestra, pleasantly passing "second hour" under the baton of Mrs. Mathilde Burns, the new director. Working harmoniously together as officers of the group are Nancy Mills, president; Charles Kittle, vice-president; Harold Peele, secretary; and William Jeffries, treasurer.

The Orchestra this year has been a source of valuable service and real pleasure to the school and to the community. The combination Orchestra, Band, and Glee Club Concert was a most ambitious but a most successful undertaking. At this time, Richard Mitchell, student violinist in the Orchestra, served with unusual ability as guest conductor of one number. The entire Orchestra played at both of the National Honor Society inductions this year. These DeVilbiss music makers presented a program for the Parent-Teachers Association of McKinley Grade School, and later participated in the annual musical concert sponsored by the Toledo Parent-Teacher Association. In an attempt to promote the appreciation of music in the grade schools, the Orchestra planned an entire series of concerts, concluding with a matinee performance for our own students. Climaxing a year of splendid achievement, the group, in collaboration with the elementary school orchestras, presented a program which featured Ruby Joan Kuhlman at the piano.

The Orchestra is particularly proud this year of the purchase of a new bass clarinet, and of the membership of one of its players in the Toledo Symphony Orchestra.

GLEE CLUB

"It's fun to start the day with first hour singing!"—Those whose hearts are filled with song know the enjoyment and satisfaction derived from singing together harmoniously. The Glee Club offers to those students who consider music an essential part of their education an opportunity to increase their knowledge of this fascinating subject and to participate in musical affairs.

Under the direction of Mr. Clarence R. Ball, these DeVilbiss songsters started the season with their contribution to the annual concert given by the combined Band, Orchestra, and Glee Club. In celebration of Washington's birthday they broadcast over W.S.P.D.

To carry out the theme of the gradual growth of America, the annual Spring Music Festival was planned with John Charles Thomas as guest soloist.

Always willing to offer their services, the Club sang carols in the school library—an annual pre-holiday occasion.

One of the club's many functions was a skating party, given in the Ice House to replenish the treasury. The success of the 1940-41 DeVilbiss Glee Club may to a great extent be attributed to the fine leaders of this organization: Joanne Verral, president; James Greiner, vice-president; Richard Barnes, treasurer; Norma Van Wormer, secretary; and Virginia Townsend, librarian.

First Row—Keith Babcock, Neil Cowie, Betty Dressler, Fred Gibbons, Twilight Gibbs. *Second Row*—Joan Hite, Harold Jenison, Doris Kraft, Bob Martin, Jim Whitehead. *Third Row*—Elvin Myers, Mariam Pratt, Bob Rutter, Alice Whitehead, Bill Wirick.

MUSIC GUILD

"Don't you have your own pet hobby or occupation—something you do in all your spare time, and even when time isn't so spare?" Fifteen DeVilbiss students do. They so love music for its own sake that they have banded together into our Music Guild, taking as their purpose the broadening of general interest in music. The officers for this year were Doris Kraft, president; Robert Rutter, vice-president; Doris Seger, secretary; and Alice Whitehead, treasurer. Because most of the members belong to one of the larger musical organizations—the Band, Orchestra, Chorus, or Glee Club—entertainment at each meeting is made up entirely of student talent. The social events of the past year included a roast, a Christmas party, a Halloween gathering, and the annual alumni party.

COMMERCIAL ART GUILD

"Now that all sixteen of us are here, I'll explain the rules for the new poster contest."—Enrollment in the Commercial Art Guild has always been small because of the very limited field of interest which the organization embraces. The Guild, which has now completed a fourth year of activity, offers to members an opportunity to study and to work with art in its varied media of expression. This year many of the students preferred to center their efforts in two projects—clay-modeling and block printing. Much time was devoted, however, to making Christmas cards, and to preparing entries for a number of the major art contests.

Members of the Guild strive to understand and to appreciate from an artist's point of view whatever is done to advance enjoyable life in the community. Thus, visits to the Holy Rosary Cathedral and to Anthony Vozech's studio were counted in the line of duty. In order to inject into the proceedings a spirit of fun and play, officers Virginia Powell, president; Charles Bauer, vice-president; Barbara Sigg, secretary; and Eva Kraft, treasurer, carried out

most successfully plans for a roast, a Christmas party, and an outdoor gathering which honored similar Toledo art clubs. Miss Amy Kimpton is the group's capable adviser.

LE CERCLE FRANCAIS

Le Cercle Francais a été fondé dans le but de faire connaître la France et ses coutumes. Aussi avons-nous essayé de faire un usage vivant de la langue française dans nos séances.

Au mois d'octobre, pour les nouveaux membres du Cercle, il y eut une réunion-thé à la bibliothèque. On a célébré la fête de Noël par une soirée de chants et de cantiques de la saison. Au mois de janvier, ce fut un après-midi de jeux et d'agréments. On a célébré Mardi Gras en costumes; cette réunion attira un grand nombre de membres. Bientôt, à DeVilbiss, nous espérons pouvoir nous procurer un film français afin que tous les étudiants de cette belle langue puisse voir un film étranger et puisse entendre parler des artistes du cinéma français. C'est aussi avec impatience que nous attendons le dîner annuel du Cercle qui aura lieu au printemps.

Pourtant on ne doit pas penser que le Cercle existe sans but sérieux. Nous avons pris le temps d'étudier un peu la France, les Français, la pensée, et la civilisation françaises sous beaucoup d'aspects. Parce que ceux qui s'intéressent aux memes études n'ont pas de difficulté à se comprendre, tous les membres de notre Cercle Français y ont trouvé un certain charme, le charme de l'amitié, de la camaraderie. Par conséquent, nous pensons que nos efforts nous ont bien récompensés et que le Cercle offrent beaucoup d'avantages à ceux qui les cherchent.

LA JUNTA ESPANOLA

La Junta Espanola— Para aumentar el interes de los estudiantes de DeVilbiss en los paises de la America del Sur, *La Junta Espanola* fue fundada en 1933. Para crear mas interes, los alumnos han escrito a los estudiantes en la America Espanola, asi ganando mas conocimiento de estos paises por correspondencia personal.

Con la ayuda de Bob Schanbacher, presidente; Virginia Kietzman, vice-presidente; Marie Cross, capellan; Betty Jane Fontaine, historiador; y la Senorita Pauline Payne, el Senor Russell Brown, y la Senorita Lucile Kerlin, consejeros, la Junta ha tenido mucho exito en todos sus proyectos, uno de los cuales era la Fiesta anual.

Este ano invitaron aqui una compania mejicana, "The Romance of Old Mexico." Con la ganancia la Junta envio una suscripcion por un ano de la revista "Readers' Digest," edicion espanola, a todos los paises de la America del Sur.

SENIOR FRIENDSHIP CLUB

"There's a meeting after school in Miss Samsen's room tonight"—How familiar is this phrase to the loyal members of the Senior Friendship Club. The lively memories which the girls associate with the mention of this organization will continue to cement friendships long after DeVilbiss is far behind.

Taking into consideration the fact that this was their last year, the girls planned a very beneficial series of talks on colleges and vocations. Representatives of Wellesley, Ohio Wesleyan, and Ohio State pointed out the benefits of their particular type of school. Typical of the advice given by the career women, was a talk on the many phases of retail work. To study nursing the girls

actually visited Toledo Hospital where they were graciously received.

Always eager to serve, the girls enjoyed entertaining the third grade from Miami Children's Home. Among the numerous social events of the club were roasts at Ottawa and Pearson Parks. A splendid year of activity was climaxed by a delightful Mothers' Tea, planned by Margaret Porter, working with the fine leaders, Helen Poindexter, president; Delores Jasper, vice-president; Eunice Lee, secretary; Martha Holton, treasurer; and Louise Sturdevant, chaplain.

Miss Eva Samsen and Mrs. Lela Greunke have been more than advisers to the girls, they have been true friends.

JUNIOR FRIENDSHIP CLUB

"Isn't the little girl in the blue dress adorable!"

Although this statement could easily refer to any member of the Junior Friendship Club, it really has reference to one of the many children whom the club had adopted for the year from the Miami Children's Home. Each girl acted as big sister to one of these little tots, entertaining her at a Christmas party and a spring picnic.

Among the interesting meetings planned by this industrious group of girls were an afternoon of singing led by Mrs. R. L. Schell, and a very unusual sight-seeing trip to the Hillcrest Hotel. The girls visited suites, investigated the kitchen and laundry, then checked up on the management.

Under the capable leadership of Shirley Oviatt, president; Jean Shirk, vice-president; Barbara Bradley, treasurer; Margaret Howland, secretary; and Phyllis Lanz, chaplain, a very successful Mothers' Tea was held on Valentine's Day with Reverend Humbert as the guest speaker.

The girls all agree that Miss Marie Lerche and Miss Mildred Schmidt, the "ever ready" advisers, must take their share of the glory in the activities of the Junior Friendship Club.

SOPHOMORE FRIENDSHIP CLUB

"How are you coming with your sewing, girls?" These ambitious DeVilbissites, diligently working to make supplies for the Red Cross were Sophomore Friendship Club members. They also offered their services at the North Toledo Community House where willing hands soon made light work. By giving a part of themselves in service, these girls carried out the true purpose of the Friendship Club—that of being kind, cheerful, and helpful to others.

They also have a liking for social life as evidenced by the enthusiasm with which the girls made plans for an annual roller skating party with the Sophomore Hi-Y. A customary Mothers' Tea was given to the enjoyment of guests and hostesses.

Working with Miss Francis Severens and Miss Mary Fischer, the chief promoters of friendship are Virginia Townsend, president; Barbara Welday, vice-president; Magdalen Netter, treasurer; and Marie Piper, chaplain.

First Row—Betty Lou Bumcrots, Dawn Busom, Mary Carter, Shirley Clevenger, Virginia Cooley, Shirley Drake, Marilyn Emery, Anna Mae Gerke. *Second Row*—Virginia Hinde, Betty Houk, Janice Hickling, Marie Lasak, Ilene Levey, Elaine Lightfoot, Louise Markhus, Ruth Murphey. *Third Row*—Jeanne Nash, Magdalen Netter, Muriel Nordsiek, Janet Olving, Marrene Pedersen, Margaret Peoples, Marie Piper, Patricia Pizer. *Fourth Row*—Patty Pollman, Joan Price, Shirley Schmukl, Jean Sieck, Evelyn Sobeck, Dorothy Spranger, Willow Jean Stokey, Jean Talbott. *Fifth Row*—Virginia Townsend, Martha Vietmeier, Jean Sonnenburg, Barbara Welday, Betty Wilhelm, Doris Wilhelm, Barbara Witt, Emily Wumer.

FRESHMAN FRIENDSHIP CLUB

"The meeting will please come to order." These words spoken by Barbara Schumm, president of the Freshman Friendship Club, are soon followed by a report of the last meeting from Secretary June Speaker. Giving the club a good financial start for the years which await, is Laura McBride, treasurer. Mary Ann Spring, chaplain; Mary Kathryn Sherman, vice-president and social chairman; Carolyn Gassan, reporter; and Carolyn Payne, program chairman, have injected a fine enthusiastic spirit into this new and vivacious organization.

To promote friendship, the girls carried out a very successful potluck as one of their social events.

After an inspiring talk by Jack Mathis on behalf of the Red Cross, these eager members unanimously decided to serve a worthy project. Immediately they made plans to sew and knit for Britain.

Although this is the first year of their organization, these freshman girls, under the splendid advisership of Miss Marjorie Warner, Mrs. Mildred Mesnard, and Miss Harriet Kimble, are rapidly making a name for their club.

First Row—Charlotte Boder, Phyllis Marie Brown, Barbara Byrnes, Alice Darr, Janet Davis, Betty Draper, Audry Ehman. *Second Row*—Betty Fyler, Lucene Gibson, Mary Gilbert, Rosemarie Hess, Ruth Merrill, Roma Mattimoe, Laura McBride. *Third Row*—Rose Ellen McCarthy, Elaine Meyer, Margaret Park, Carolyn Payne, Josephine Perkins, Mary Place, Elaine Schlatter. *Fourth Row*—Barbara Schumm, Elaine Shaffer, June Speaker, Mary Ann Spring, Elizabeth Stimson, Jeanne Stone, Margaret Van Gorder. *Fifth Row*—Phyllis Vanell, Vera Wainscott, Romaine Watson, Jacqueline White, Gloria Wittman, Shirley Wood.

SENIOR HI-Y

"To create, maintain, and extend throughout the school and community a high standard of Christian character"—such is the purpose of all Hi-Y organizations; such is the goal toward which each one strives. The members of the Senior Hi-Y during their four years of association have labored with concerted effort to carry out the program of work and plan which each club participated during the past year, guided by Kent Reece, president; Erwin Schmidt, vice-president; Bob Lynch, secretary; and Jim Townsend, treasurer, indicates a most creditable degree of success.

On each Thursday evening at the central Y. M. C. A. the group assembled for business meetings. Here they made plans for future dances and roasts, participated in round-table discussions, or gave their attention to a guest speaker. For example, at one meeting the boys sat about and threshed out the question, "Why Go To Church?" Among

their guest speakers are numbered Captain Thomas, who talked about army life; Reverend Talmadge, who spoke on "Three Ways of Accepting Mistakes"; and Sergeant Margaret Slater. Mr. Dorman Richardson, Mr. Johnson, and Mr. Charles Marshall formed a trio of speakers one evening and discussed the many aspects of college life. The Senior Hi-Y was of course active in planning the Sunday afternoon Hi-Y Friendship Forums which were held during the month of February.

Perhaps the most important activity undertaken by the group was the April Vocational Guidance Program. This series of lectures and discussions was designed to help each senior boy choose the proper vocation. At this time, those who were interested were given an opportunity to interview prominent Toledo business men, thus receiving valuable professional information. The group was advised this year by Mr. S. B. Emery and Mr. Robert K. Lampton.

First Row—Jim Barrett, Bill Beaubien, Bob Butler, Bob Cannon. *Second Row*—Bill Clifford, David Davis, John Fisher, Bob Harvey. *Third Row*—Dick Hewlett, Fred Hiss, Bob Hubbard, Douglas James. *Fourth Row*—John Jefferys, Wendell Johnson, Dick Lee, Bob Lynch. *Fifth Row*—Alvin Mason, Milton Netter, Warren Pelton, Richard Peterson. *Sixth Row*—Jim Plough, Kent Reece, Ken Richard, Stan Romanoff. *Seventh Row*—John Rowen, Glenn Sbach, Erwin Schmidt, Harold Shaffer. *Eighth Row*—Jack Snyder, Jim Townsend, Dwight Wolfe, Charles Yager.

SOPHOMORE HI-Y

"I'll meet you at the 'Y' at seven-thirty tonight." This year members of the Sophomore Hi-Y, at their Thursday evening meetings listened to many entertaining speakers. They also joined with the Friendship Clubs and the other Hi-Y's in promoting the February forums. The boys played hosts this year at a splash party, and at a winter roller-skating party.

Representatives of these future pillars of our nation are Bill Brand, president; Bob Pomeroy, vice-president; Ray Smith, secretary; and Arthur Simpson, treasurer. They were advised by Mr. J. C. Collins and Mr. Richard Drouard.

First Row—Jim Baehren, Bob Barnthouse, Bill Brand, Jim Britsch, Jack Carter, Al Donnelly, John Erler. *Second Row*—Harry Ernsberger, Douglas Gardner, Gordon Gettum, Bob Girkens, Dick Goins, Bob Goldacker, Laurence Heinisch. *Third Row*—Don Hill, Paul Jefferys, Parke Lamb, Fred Mollenkopf, Harry Nordgren, Robert Pomeroy, George Ryder. *Fourth Row*—Jack Sawyer, Arthur Simpson, Marcus Smith, Ray Smith, Charles Tripp, Raymond Valassis.

MATH CLUB

"How many are going out to the 'U' tonight?" asked Miss Eva Samsen. A clamor of voices crying "I", followed this question. When the members of our higher mathematics department had witnessed Toledo University's Delta X in action, they decided to establish their own Math Club. The organization, under the guidance of Miss Eva Samsen and Mrs. Lela Greunke, chose the name "Society of the 'Radical' Thirty-nine." According to the constitution, the purpose of the club is to "further interest in and propagate knowledge of the various mathematical sciences." Any third year student with an acceptable scholastic record is eligible for membership. At the meetings held twice a month, the boys played mathematical games, and attempted to solve difficult problems. They have recently introduced to DeVilbiss a new game—three dimensional tit-tat-toe. As officers, the club elected Jim Plough, president; Don Bottorff, vice-president; Bill Orthwein, treasurer; Joanne Budd, secretary.

First Row—William Arduser, John Bishop, Don Bottorff, Viola Buckenmeyer. *Second Row*—Joanne Budd, Bob Cannon, Elwood Dickerson, Helen Fulton. *Third Row*—Larry Ginther, Albert Graumlich, Dick Lee, Bob Minke. *Fourth Row*—Milton Netter, Warren Pelton, Mildred Gogel, Charles Petree. *Fifth Row*—Jim Plough, Kenny Rice, Erwin Schmidt, Phyllis Thompson.

PHILALETHEAN LITERARY SOCIETY

"The meeting is adjourned, girls, but please don't forget that our next regular meeting will be held at the Art Museum." This year the Phils decided to embrace the field of art in a more comprehensive sense than they had done in previous years. Accordingly, directed by a member of the Museum staff, the girls have studied most of the important contemporary exhibits at the Art Museum.

Because the original purpose of the club was to read and to appreciate the best in literature, the members did not feel justified in devoting themselves completely to their interests at the Museum. Therefore, at each second meeting a member reviewed one widely read contemporary novel.

The Phils are far from serious in many of their activities. Guided by their officers,

Margery Wenner, president; Marilyn Nesper, vice-president; Katherine Lehman, recording secretary; Mary Jean Caldwell, corresponding secretary; Virginia Hannaford, treasurer; and Dorothea Collins, chaplain, they have successfully executed plans for numerous social affairs. Their fall spread was followed at Christmas time by a most profitable afternoon dance. Two formal candle-light inductions were held, each preceded by a spread. This year the dining-room at the Art Museum was the scene of their spring tea for the Philalethean Societies of Scott and Libbey. The last of May saw the final event of the year—the Senior Tea, given in honor of those members who were to graduate. The Society is advised by Miss Ruth Smith, Miss Ethel Willoughby, and Miss Alice Gerding.

First Row—Constance Adams, Marthasue Bauer, Barbara Bradley, Barbara Brown, Joanne Budd, Naomi Buehler, Grace Carstensen. *Second Row*—Mary Dwyer, June Faller, Helen Fulton, Mildred Gogel, Marguerite Hartman, Joyce Haynes, Sara Hill. *Third Row*—Virginia Hinde, Margaret Howland, Betty Hoyt, Shirley Kahn, Althea Kaul, Ilene Levy, Patty Pennypacker. *Fourth Row*—Hariett Roberts, Janeanne Schmidlin, Jeanne Shirk. *Fifth Row*—Phyllis Sowers, Dorothy Spranger, Shirley Stollberg. *Sixth Row*—June Thatcher, Norma Van Wormer, Barbara Anne Witt.

ZETA LE THEAN LITERARY SOCIETY

"Have you read Ellen Glasgow's latest novel? If you haven't, you don't know what you are missing in entertainment." The Zeta-lethean Literary Society carried on rather an extensive quest for good books throughout the last year. Those books reviewed by members of the club included "Quietly My Captain Waits", "Kitty Foyle", and "The Trees". Mrs. Walker from the library graciously reviewed "A Toast to the King".

Among the year's social activities are numbered a progressive dinner, two spreads,

a card party, and a mothers' tea. The tea given for the Zets of all other Toledo high schools was particularly successful.

Perhaps the unusual activity of the club this past year can be attributed to the "gingervating personalities" of the officers: Grace Carstensen, president; Marilyn Riehl, vice-president; Joanne Budd, secretary; and Jean Shirk, treasurer. The group's able advisers of this literary group are Mrs. Jeannette Brand, Mrs. Sutter, and Mrs. Margaret King.

First Row—Margaret Brownell, Virginia Buettner, Mildred Buser. *Second Row*—Jean Emery, Mary H. [unclear], Mary Catherine Kirk. *Third Row*—Elaine Lightfoot, Marilyn Magnus, Helen May. *Fourth Row*—Janice Mc[unclear], Ann Monaghan, Ruth Murphy. *Fifth Row*—Phyllis Smith, Jean Spalding, Suzanne Swartz. *Sixth Row*—Lillian Wasserstrom, Patricia Wernert, Martha Vietmeier.

S O R E L L E S

"Don't forget to come to our desert bridge next week." In January, the Sorelles extended this invitation to approximately two hundred girls. The affair, given in LaSalle and Koch's French Room, was one of the most successful of the year. Every activity of the club indicates that the members strive to afford themselves good times, and to create among themselves a feeling of lasting friendship.

The girls have worked together this year in a particularly fine spirit of cooperation. Their activities at Christmas time were most worthy of commendation. Rather than entertain themselves with a party, the girls decided to devote their time and money to filling a Christmas basket. At this time, too, they entertained the ladies at Sun Set Home with a candle-lighted concert of Christmas carols.

The club's annual roast was held this year on the first day of school. At this informal meeting, officers for the year were elected. Mildred Marie Buser was chosen president; Helen May, vice-president; Suzanne Schwartz, secretary; Jean Emery, treasurer; Lillian Wasserstrom, chaplain; and Patricia Wernert, sergeant-at-arms. Mrs. Ruth Douglas was adviser to the group.

An invitation spread followed by a formal induction was held in March. This same procedure was repeated later in the year. The Sorelles concluded the year's activities with a formal banquet held in honor of the graduating girls, each of whom was at this time given a parting gift. This affair culminated one of the most successful years the club had ever experienced.

PERICLEAN LITERARY SOCIETY

"Here are the dozen doughnuts which you ordered from the Peris." Selling doughnuts is one of the projects that the Peris undertook in order to enable themselves to further extend their study along cultural lines. Because the purpose of the organization is to encourage an interest in all phases of literature, the girls have this year made a study of famous personalities in the fields of literature, philosophy, art, music and current history. They also presented to the library, as an expression of appreciation, a fine set of recorded Canterbury Tales.

One of the group's major social activities was a city-wide Periclean tea. This affair, attended by most of the Toledo Peris, was

a huge success. The dance which the girls sponsored following the Central-DeVilbiss basketball game was very enthusiastically attended. This year the Peris preceded their usual formal induction with a chop suey spread. The year's activities were concluded with a senior luncheon held at the Women's Building. At this time, graduating Pericleans were presented with corsages.

Chief among these culture-seeking Peris were Phyllis Smith, president; Mary Jane Boesel, vice-president; Ruth Lanz, treasurer; Katherine Hubbard, secretary; and Constance Photos, chaplain. The advisers included Mrs. Carrie Whaley, Mrs. Edith Schwenke, and Miss Marian Smith.

"Let's go to the Paramount next Saturday." Because the purpose of the Sub-Debs is to provide a good time for the girls, all the activities are of a distinctly social nature. The business meetings are held every other Friday with one social event each month. The social affair most popular with the girls is the annual Chop Suey Dinner. Cooperating with the sub-debutantes in planning the meetings, and with their advisers Mrs. Margaret King and Miss Frances Severens, are June Thatcher, president; Florence Colby, vice-president; Marie Cross, corresponding secretary; Martha Merrill, recording secretary; and Ruth Merrill, treasurer.

Twice a year, in honor of those girls selected to be the new members of the club, a spread is held.

This year the girls successfully carried out plans for a dance, the "Basket-Ball," which was held after the Central-DeVilbiss basketball game. The popularity of this after-game dance lead other organizations to make similar plans.

In so far as social events are concerned, the Library Association can be termed the most versatile of any DeVilbiss organization. The activities of this group range from dances to roasts, and back again to teas. The past year's social calendar which was planned by Shirley Strobel, president; Constance Photos, vice-president; Barbara Weirich, recording secretary; Joann Underwood, corresponding secretary; and Caryl Christenson, treasurer, follows. Early in the season the group entertained the alumnae with a roast held at Side-Cut Park. Their dance, "The American Swing," was held in the Girls' Gymnasium on February 7. On March 17, the library was the scene of a Saint Patrick's Day tea, presented in honor of all three DeVilbiss Literary Societies. This colorful affair was very well attended indeed. With its "penny supper," the group initiated what was for DeVilbiss a new type of social gathering. Although the meal was pot-luck in type, in order to raise money for the club treasury,

each of the girls was charged a small price for her food. The evening was thus both amusing and profitable. Late in the school year, the group entertained at their annual Mothers' Tea.

The purpose of the association is to further a love of books, and to promote a general interest in our library. At their meetings, the girls study famous women, and review current literature. The organization belongs, as a group, to the Junior Literary Guild, and as a result is able to give to the library one book a month. This past year they have contributed *The Fair Adventure*, by Elizabeth Janet Gray; *Jewels and Gems*, by Lucile McDonald; *The Lost Locket*, by Ethel Parton; *The Year of Jubilo*, by Ruth Sawyer; *Polly Kent Rides West: In the Days of '49*, by Robert McCulloch; *Forty Faces*, by Mary Urmston; and *The White Isle*, by Caroline Snedeker. Miss Leah Schueren and Mrs. Fannie Mae Gunn have given willingly of their time and service in guiding the group.

GIRLS' ATHLETIC SOCIETY

"I'll meet you in the gym after school for intramurals." So shouts many a member of the Girls' Athletic Society. This year, instead of participating in group play, the girls signed up for sports in which they were particularly interested. They could then play either individually or on teams. The list of sports from which they might choose included badminton, shuffle-board, table-tennis, horseback-riding, golf, and swimming. Such intramural activities are open to members of the society, and also to any girl who wishes to participate. Members earn school letters by their participation.

In addition to their activity on the athletic field, the girls have enjoyed planning and carrying to completion many social affairs. This year the Co-ed Ball was cheered to victory by chairman Janice Christofel. The entertainment, planned for the girls alone, is perhaps the most important evening gathering sponsored by the group. Another special social event is Pops' Night—the time when fathers pit themselves against their daughters in games of badminton, basketball, and baseball.

At Christmas time the Association played host to fifty children from the Lutheran Inter-mission Home. All freshman girls were invited to the Freshman Welcome—the get acquainted party. Although they were not urged to join, most of those who attended did become members of the society. The annual splash party given in January at the Y.M.C.A. was followed by an evening of games. At this time those girls who had received their letters were honored. Other activities of the society included a roller-skating party at Memorial Hall, a Mothers' Day Tea, and a Farewell Banquet for graduating seniors.

"Captains" for the year were Marga Lee Holst, president; Caryl Becker, vice-president; Grace Carstensen, secretary; and Santon Fotheringham, treasurer. Miss Lois Entemann, Miss Elsie Gottshall, and Mrs. Jane Clark served as "referees."

First Row—Constance Adams, Margaret Adams, Joan Austin, Gladys Bailey, Caryl Becker, LaVerne Bennett. *Second Row*—Janet Brown, Ellen Byrnes, Grace Carstensen, Janice Christofel, Jean Colvin, Virginia Cooley. *Third Row*—Eunice Conover, Joan Cousino, Peggy Dale, Shirley Drake, Santon Fotheringham, Marjorie France. *Fourth Row*—Margaret Hamann, Evelyn Hansen, Marguerite Hartman, Barbara Henry, Jane Stewart, Joan Hickenlooper. *Fifth Row*—Margaret Higgins, Jean Hohenberger, Martha Holton, Kathryn Howell, Mary Koltz, Beverly Jackson. *Sixth Row*—Jean Koder, Lois Koder, Esther Lankenau, Normagine Morgan, Helen May, Betty Meinert. *Seventh Row*—Margaret Porter, Joyce Patten, Jane Pfaffinger, Jeanne Shirk, Evelyn Sobeck, Betty Troup. *Eighth Row*—Gertrude Sattler, Marian Warner, Alice Whitehead, Gloria Whitting, Amelia Wineland.

GIRLS' BOWLING CLUB

"Hurrah, a strike! That'll bring my score right up there!" Members of the Girls' Bowling Club took up this sport with an abundance of zest and enthusiasm. The club had a "striking" good season, with never a "spare" moment. Every Thursday at the Marathon Bowling Alleys on Sylvania Avenue the balls began to roll, and the competition between the teams and leagues was on! At the finish of the current year, prizes were awarded to those girls who had the highest scores.

In addition to attempting to establish themselves as outstanding bowlers, the "pin-downers" took part in many social affairs. The entertainment committee this year consisted of Ruth Jeffery, Betty Badger, Betty Walters, Beverly Jackson, and Kathryn Howell. This able group planned for the enjoyment of the other girls—a theater party, several suppers, and a farewell picnic, which formally closed the season. During the summer the girls will have to develop their bowling skills individually.

Those who made this most successful year possible were Helen May, president; Barbara Widrig, vice-president; and Betty Sauter, secretary-treasurer. Always backing the girls in their activities were the advisers, Mrs. Sutter and Miss Kratz. These teachers, together with any others who cared to participate in the fun, accompanied the girls to the bowling alleys.

"Oh, listen! That bird call is familiar. It sounds like a cardinal." Because members of the DeVilbiss Naturalist Club are junior members of the Toledo Naturalist Association, they are often invited to participate when the larger club makes plans for a bird hike. One of the most popular spots for these outings is Oak Openings near Swanton, Ohio. The trees in this park are the oldest oaks in the vicinity, and naturalists hope soon to make the locality a state park. Oak Openings would then truly be "a naturalist's paradise."

Ever since the club was organized, its members have taken yearly trips, often by bus, to places which interest them. This year they traveled to Ann Arbor where they explored every science building and every laboratory. The hospital was especially interesting to the students because of their own research work. They had planned to visit the Parke Davis plant near Detroit, but because of national defense plans they found it impossible to do so.

Here at DeVilbiss members of the Naturalist Club devoted a great deal of time to the care of the greenhouse, located on the south side of the building. This year they planted in their own seed boxes radishes, zenias, dahlias, bachelor buttons, snap dragons, and marigolds.

The organization often invited to their meetings a guest speaker. This year they heard Dr. Steinberg, who discussed the study of bacteria; and Mr. Francis, who dealt with Chinese missionary work.

The officers elected this past year were Bob Edmunds, president; Charles Mohr, vice-president; Connie Underwood, secretary; and John Bishop, treasurer.

"How's your model coming? Mine is almost finished." For weeks this winter, members of the Aeronautics Club worked to fill the trophy case with a display of model airplanes. James Hoppy, who presented the idea to the club, together with other interested members, willingly assumed all responsibility for making the planes. Later in the year the group became interested in gas model planes, and made plans to work with them. This attempt was unique in the experience of the club. In the spring the club, as a group, visited the air-port where members welcomed the opportunity to examine in detail the airplanes about which they had studied.

Their many activities give evidence of the fact that these students are enthusiastic about everything which deals with aviation and aeronautics. During the year, each member of the club kept in close contact with all new developments in this field, and reported any unusual discoveries to the other members.

This past year, a number of girls who had heard about the activities of the Aeronautics Club decided that they, too, were interested in the subject and wished to know more about it. They have certainly equalled the boys as far as enthusiasm and activity are concerned.

Because the members felt that some manner of familiarizing DeVilbiss students with the organization should be devised, it was decided to have sweater emblems made. In a few days one of the group presented a suitable design, and soon all active members wore sweaters adorned with the new insignia.

Our future pilots of the air seem to be equally at home in the water. Every member was present and paddling at the group's several splash parties.

This year's chief pilot was Eugene Bartlett, president. His co-pilots were Bob Martin, vice-president; Viola Buckenmeyer, secretary; Jim Whitehead, club reporter; and Mr. Kiker, instructor.

HOME ECONOMICS CLUB

"Look in the oven quickly! Something's burning!" This can't happen here. Members of our Home Economics Club realize that being a good house-wife is an occupation in itself; they know what will be demanded of them as home managers. In their work they anticipate and endeavor to cope beforehand with some of the household problems which may arise in the years to come.

By first designing and then making their own wearing apparel, the girls discover the type of clothing most becoming to them. When the garments have been completed, they are displayed at the club's style show.

This year the girls have been tied to the apron strings of Oneda Vann, president; Virginia Ducat, vice-president; Margaret Goodnight, secretary; and Bertha Diener, treasurer, and to those of Miss Mary Bargmann, adviser.

VOCATIONAL CLUB

"What are you going to do when you graduate from high school?" In order to help themselves answer this question, a group of students formed the DeVilbiss Vocational Club. Their active interest in the problem is evidenced by the numerous trips which they make to various Toledo business establishments. They visited the Neon Sign Company, the Mohr Bottling Company, and a modern dairy farm.

The more active members of the organization take charge of the Vocations Room. Here any student can find information helpful in deciding his future profession.

Those who lead the career seekers are Harold Shaffer, president; Dick Williams, vice-president; Mary Klotz, treasurer; and Lois Miller, secretary. Advising this group are Miss Grace Kratz and Mr. Harold Grubs.

First Row—Jean Barrell, Eugene Bartlett, Ruth Belot, Bill Brand, Betty Lou Bumcrots, Betty Evdemon. *Second Row*—James Greiner, Meredith Gutzmer, Alberta Koltz, Bernice Koltz, Mary Koltz, Marie McLean. *Third Row*—Dorothy Meranda, Joyce Meranda, Lois Miller, Marjorie Perry, Richard Redding, Harold Shaffer. *Fourth Row*—Ruth Waffle, Violet Warnke, Don Weber, Dick Williams. *Advisers*—Miss Grace Kratz, Mr. Harold Grubs.

DEVILBISS RAINBOW SINGERS

Wesley Van Etten, Bob Williams, Paul Hem, James Greiner, Russel Meredith, Harold Jenison, John Steele, Fred Schultz, Dick Barnes.

"Would you boys like to sing in the DeViltries?" This question was put to a group of talented singers by Mr. Arthur Diller. The boys' octette sooned organized was so applauded by the DeViltries audience that the group has since been made permanent. Mr. Diller has lead them in rehearsal after rehearsal in order that they might successfully fill the demand for their services made by organizations outside of the building. The boys have sung for the Rotary Club at the Commodore Perry Hotel; for a teachers' meeting held in the Broadway Methodist Episcopal Church; and for the Women's Educational League at Lasalle and Koch's. They recently were guests of the Phi Delta Kappa Fraternity at the University of Toledo. Among the songs in their repertoire are *Dear Land of Home*, *The Winter Song*, and *Steal Away*.

The original octette is made up of Wesley Van Etten, first tenor; James Greiner, first tenor; Robert Williams, second tenor; Harold Jenison, second tenor; John Steele, first bass; Paul Hem, first bass; Richard Barnes, second bass; and Fred Shultz, second bass. However, because of the great popularity of this Men's Chorus, eight new members have been admitted

COACHES

To the Coaching Staff goes much of the credit for the splendid record achieved by DeVilbiss athletes in 1940-1941. In the tenth year of DeVilbiss's existence all of the teams combined to give the school the finest record in sports for one year that has yet been made by our school teams. The men who have helped bring us these victories are shown above. Harry Rice, as head football coach, worked long and hard in bringing out the best in each player—helping him to discover particular weaknesses. In this task he was ably assisted by Ollie Klee, who also coached the championship baseball team. Lynn Kahlmback and Don Sharpe were responsible for the fine showing made by the lightweight team, and are equally as important for it is here that future material for the varsity team is developed.

Trainer Joe Collins has the job of keeping all the boys in top physical condition. These men along with Lars Wagner, basketball coach, comprise the Athletic Department of which Norm Pollman holds the position of Director of Athletics in addition to serving as track coach.

The 1940 edition of the Tiger football team we feel was the finest one that ever donned the Orange and Black. Although they just missed the City Championship, the boys compiled the fine record of nine victories and one defeat—that, suffered at the hands of Waite High School's strong eleven. Included among their victims were: Hamilton, 1939 claimant to the state championship; Sandusky, annually represented by a better than average team; and a strong Lorain, Ohio, squad which gave the Tigers their hardest fought battle with the exception of Waite.

The all-around excellence of the team can be seen from the fact that DeVilbiss placed four players on the first string All City Team. The four players were Bob Chappuis, Bob Vernier, Bill Gall, and Bill Mann. Other capable performers of the 1940 squad were Jim Bennett, Dick Bohnsack, Don Rice, Stan Romanoff, Charley Dixon, Norm Schweikert, Bill Sigler, Chuck Chenevert, and Bill Anderson.

At the close of each football season the players gather for their annual banquet. One of the most important happenings at this time is the vote the players take to determine the boy, who in their opinion, has been the most valuable member of the team. The player thus honored is then awarded the Berlin Trophy for his merit. This year the voting became deadlocked between Bob Chappuis and Bob Vernier; therefore it was decided to present both boys with the award. This decision established a new precedent, for although previous voting had been determined by close margins, never before was the trophy won by two players.

At the close of the basketball season, Bob Vernier was also voted the most valuable basketball player, thus becoming the first athlete to hold both honors.

WAITE GAME

Two Indians after a Tiger

DeVilbiss—14; Waite—19. This was the result of the most important game played at DeVilbiss in several years—one which was decided only in the final seconds when DeVilbiss lost possession of the ball on the Waite four-yard line. It was a cleanly contested game with DeVilbiss speed and deception battling Waite's power on even terms as quarter scores read: 7—0 DeVilbiss, 7—7, 14—13 DeVilbiss, and 14—19.

Statistics show that Waite made thirteen first downs to ten for DeVilbiss and gained 232 yards by rushing against 143 for DeVilbiss. In the air Waite completed only one pass for fifteen yards, while DeVilbiss completed four to gain seventy-nine yards. The game, marred by only two fifteen yard penalties—one against each team, should be regarded as one of the finest high school games ever played in this district.

Made up mostly of sophomores and juniors, the Tiger Kittens turned in a very presentable season. Coaching by Lynn Kahlmback did much to bring out the talent which will rule our varsity ball. Victories for the DeVilbiss Seconds were taken from Central, Woodward and Waite; while the team managed to hold a strong Libbey team to a 0 to 0 tie. Their lone defeat of the season came at the hands of the Scott Bulldog Reserves.

Versatile players for the sophomores included Rodgers, Vitek, Warner, Clark, Crowl, Kurtz, Lantz, Covert, Percival, Pomery, Bolton, Simpson, Wyrick, Ernsberger, Bernstein, Edgington, Redman, and Perkins. Sager was the outstanding freshman. The boys from the junior class were Kennedy, Etters, Kahl, Adler, Lamanan, Corwin and Myers.

The Kittens with their credible record should be excellent candidates for next year's varsity.

BASKETBALL

First Row—Millikan, Vernier, Boice, Bailey. Second Row—Taravella, Stevens, Messerly, Roebke, Schweikert, Weaver, Bowman, Manager Blough.

The basketball team of 1940-41 wound up the season with a record of thirteen wins and seven defeats. While not impressive at a glance this total included two victories over Libbey, City and District Champions, and awarded DeVilbiss runner-up honors in the City League. The figures might have been more impressive if it hadn't been for losses sustained on a trip over the Christmas holidays through southeastern Ohio.

In the playoffs, DeVilbiss was eliminated in the first round by a one point defeat suffered at the hands of Rossford whom the Tigers defeated by a similar margin earlier in the season.

Paul Roebke, leading the Tigers in scoring, was closely followed by Schweikert, Taravella, Messerly and Bowman.

LIGHTWEIGHT BASKETBALL

Under the coaching of Lynn Kahlmbach, the Tiger Kittens showed a hopeful outlook for future varsity ball. The Tiger Seconds came in second place, losing only to Libbey and splitting with Macomber. They ended the season with eleven victories and three defeats for a very presentable season.

The team consisting of some twenty players was composed of sophomores and juniors. Although the juniors played the greater part of the ball, the sophomores looked forward to a very successful season. Consistent junior performers were Ducan, Mahen, Schuette, Henrickson, Romberger, Anderson, Kennedy, Lee and Walsteder. Reliable sophomore reserves consisted of Rumis, Olds, Bolton, Covert, Smith, Becker, Browning, Lantz, Rohweder, Ray Smith, and Edgington.

BASEBALL TEAM

Led by Captain Bob Harter the Tiger Baseball Team returned the City Championship to DeVilbiss in 1940, marking the fifth time in the past seven years DeVilbiss has annexed this title. This year the honor was shared with Macomber; however, DeVilbiss defeated them in the district playoff and earned the opportunity of participating in the Northwestern Ohio tournament at Findlay. At this tournament the Tigers lost a 1—0 decision to Lima Central; nevertheless, Lima obtained only two hits off the offerings of Bill Mann—these coming in two different innings from the one in which they scored their lone run, while DeVilbiss solved the Lima pitcher for seven hits, yet were unable to score any runs. Jim Fruchey pitched the only no-hit game of the season for the Tigers—a 6—0 win over Woodward.

Losing only three players through graduation, an excellent nucleus for next year's team to be captained by Harry Messerly, is left.

TRACK TEAM

Highlight of this year's track season was the victory of the Tiger squad in the second annual DeVilbiss Night Relays. DeVilbiss nosed out Scott by a 66—64 score to take top honors in the class "A" division. The Tiger runners also won the district meet at Bowling Green by a wide margin, but they placed quite low in the state meet at Columbus. They placed fourth in a field of thirty at the Ohio Wesleyan Relays. Although DeVilbiss defeated Scott twice in large meets, they lost a dual meet to Scott, thereby losing the city championship as neither team was defeated in other city meets.

With a large group of boys returning for the team next year, the track team is expected to help DeVilbiss to another banner year in spring sports.

The DeVilbiss Tiger Tennis Team was successful in capturing the 1940 city crown. Under the able coaching of Louie Mathias, the team won six straight league matches.

Bud Bailey held down the number one singles position, while Jim Wolf and Rex Henrickson were number one doubles partners. Jim Mathias, Bill Stuckey, Dick Balduff, Jim McSorley and Leonard Walters alternated at the number two singles and doubles positions. The Tigers contributed forty points to their opponents eight.

Although the boys were defeated in the district meet at Bowling Green, they hope to make the state meet next year. Made up of four sophomores, one junior and three seniors, the Tigers should continue their championship ball.

The swimming team did not participate in any meets this year and only a few members of the team took part in the state tourney; however, there was no lack of interest and regular practice sessions were carried on throughout the winter.

Since Waite and Scott are the only schools in the city which support swimming teams besides DeVilbiss, plans were made to meet these two schools, but Waite cancelled their invitation and Scott refused their invitation. It was unfortunate that for this reason DeVilbiss was unable to distinguish itself in this field as there were several good swimmers on the team this year. More definite plans will undoubtedly be made for the coming season to assure DeVilbiss swimmers of more activity.

BOWLING TEAM

First Row—Lockhart, Richard, Nuffer, Lawrence, Mason. *Second Row*—Gold-ecker, Tabbert, Van Buren, Campbell, O'Connor, Issler.

Having lost several stars through graduation, the DeVilbiss representatives in the American and National Bowling Leagues were able to gain only third and fifth places respectively, as against first place in both leagues last season. The seniors who bowl in the American League were bowling against stiffer opposition this year, and were forced to bowl well in order to place third. Only under-classmen bowled in the National, so it is possible that with enough practice they will carry DeVilbiss to the top of the senior loop next year.

First Row—Becksteidt, White, H. Jones, Payette, Geisler, J. Jones, Boice. *Second Row*—Coach Romberger, Eagan, Kear, Warner, Wurtz, Ostrosky, Cunningham, Anderson.

The first state champions from DeVilbiss! That is the title earned by the 1940 DeVilbiss golf team. The boys completed the city schedule without a defeat and had no difficulty in annexing the district title at Heather Downs. This victory gave them the chance at the state title which was played off at Columbus. The winning team was determined by the lowest total team score for 36 holes. Jon Jones, Bob Geisler, Don White, and Harvey Jones were the four boys representing DeVilbiss, and it was their low total of 658 which earned them the championship. In the district meet only 18

holes were played, the above same four had a 319 total. Don White also had the lowest individual score in the district meet for the second successive year.

It is unfortunate that after having attained the peak of success Coach Bob Romberger was unable to remain at DeVilbiss, having accepted another position; however, anyone who takes over the vacancy should not have a difficult task with two co-captains, Harvey Jones and Don White, Warner, Boice, Kear, and Wurtz returning from last year's championship squad.

OUR ANNIVERSARY YEAR IN ATHLETICS

The calendar year 1940 was a grand and glorious one for the DeVilbiss Athletic program, for in this year we won a state championship, four district championships, and three city championships.

Our basketball team was the first to finish its season in 1940 and they ended up in third place, only one half game behind the co-champions, Libbey and Woodward. The season was rather a hectic one for the forced closing of the Toledo schools gave the basketball players a late start.

Our poolless swimming team finished second in the city race and deserved credit for their splendid efforts.

And then came the spring, and with it our championships in all four sports. Our golf team brought glory to the school in winning the city district, and then the first state championship that DeVilbiss has ever won. A squad of sixteen boys alternated in winning every match in the city schedule and then the four boys who had the best record thru the season were selected to carry the orange and black thru the district to the state. These boys were Jon Jones, Don White, Bob Geisler and Harvey Jones. Two of these boys, Don White and Harvey Jones, remain to form the nucleus of another winning combination.

The baseball team played through a very successful season to a tie for the city championship with Macomber. Later the team played through to win the district tournament, defeating Macomber in the finals. This team remains almost intact for the coming season, although Captain Harter and Al Jamra will be lost due to graduation.

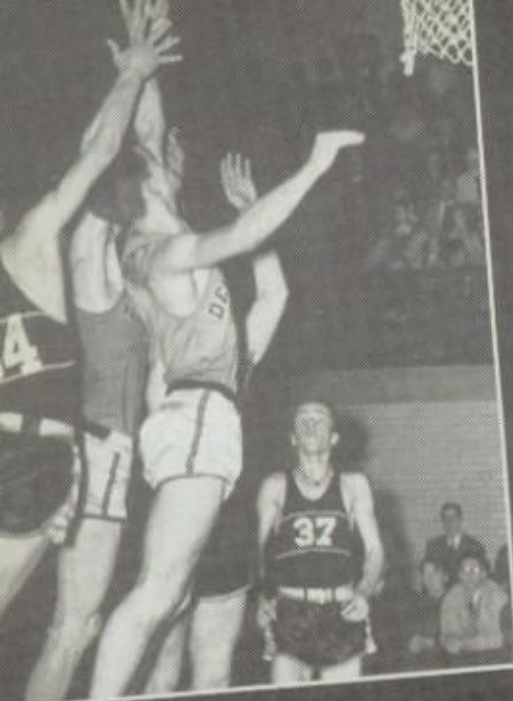

The tennis team won all their matches in the city race and were returned champions. The tennis stalwarts were Seavey Bailey, Rex Henrickson, Jim Wolfe and Jim Mathias. Coach Mathias is looking forward to another banner year with a majority of his boys returning.

The track team won their dual meets with Libbey, Waite and Woodward, but were defeated 60 to 58 by Scott for the city title. However, they claimed revenge by doubling the score on Scott in winning the district meet. The team also placed near the top in the Ohio Wesleyan and Miami University invitational meets; returning then to win the Second Annual DeVilbiss Night Relays. Outstanding boys on the track squad were Captain Carlton Baumgardner, Paul Franke, Bob LeSeur, Bill Qualman, Dick Bohnsack and Bob Krieghoff.

Prospects are bright for the coming season with Capt.-elect Bohnsack leading the hopefuls.

Over the summer the boys gathered their second wind and in the fall placed a football team on the field that was undoubtedly the finest in DeVilbiss history. The team won nine out of ten games, losing only to Waite in a heartbreaking 19-14 game that was in doubt until the final seconds of the game. The season brought out the dream backfield of Captain Bob Chappuis, Dick Bohnsack, Bob Vernier and Don Rice, and a splendid line to lead them.

Here's to 1941!

The Girls' Physical Education Department was rated by the Evaluation Committee as the highest ranking department in the school. Their program prepares the freshman, participating in basketball, baseball and square dancing, to excel in these games and to learn the more complicated progressive games of the sophomore year. In the junior year the girls take part in more advanced activities, such as hockey, modern dance, and badminton. As a fitting climax the girls enter into the senior elective program.

Life's happiness can never be fulfilled by the cultivation of the mind alone. The ability to enjoy all of life depends on health. The ableness to play as well as the power to work is essential. It is to this end that the senior girls' program of physical education is directed.

The senior girls' athletic facilities provide part of the program necessary for a well-rounded education. The second year of these planned activities proved that the program was popular and beneficial to all who participated. Innumerable outdoor sports take place on the courts and fields provided for them in the fall and spring. The indoor seasons, allowing a further selection of individual and team sports, complete a dual function—a profitable work and a trim figure. Everyone to her own taste—some swim while others dance; some take riding while others enjoy playing in friendly competition. Rivalry is especially keen in basketball, baseball and field hockey. All join in the fun—not to win, but for the love of the games.

The tennis courts are the scenes of fast action, while the bridle paths give riding enthusiasts unexpected jolts and a new thrill. On the golf course you hear the warning cry, "Fore." The ancient sport, archery becomes a new and exciting game for novices. The Ice-House is the center of activity for rabid skating fans, whereas the bowling alley holds the interest of many eager enthusiasts who wish to learn more about this popular sport.

The girls choose those sports which they enjoy the most. From them they gain a substance upon which they can build for further self fulfillment.

MAN MAKING

We all are blind until we see
That in the human plan
Nothing is worth the making if
It does not make the man.

Why build these cities glorious
If man unbuilted goes?
In vain we build the world, unless
The builder also grows.

Farewell to all the hours I have spent
 In seeking knowledge here, within these walls.
 Here by the open door I pause, perhaps resent
 The solemn voice that in the stillness calls
 To all of us, "Farewell."

'Tis not the books, the lessons I have known,
 That will endure when this sad day is past,
 For when in future solitude I sit alone,
 I'll hear you whispering our last,
 And sadly said, "Farewell."

But though we're parting now, 'tis not the end,
 When'ere I view this page I shall rejoice
 To see inscribed the name of my dear friend,
 And when I see thy name, I'll hear thy voice
 Still whispering—"Farewell."
